Born December 14, 1932. Married January 8, 1955 to Francis Robert Piper, widowed, 2014. A Charismatic warrior with an unbreakable love for God. Our mother made prayer the primary staple of our family tapestry. As a registered nurse, mom's gifts for helping the wounded, both physically and spiritually, was her unwavering mission throughout life. As a mother of ten, life was never boring. From morning till night, mom kept things moving, from kids sports, church charities, school activities and an abundance of community events. Our mother had such a servant's heart, even with her own children, our mother made room for foster children that needed a loving home and no one was ever turned away.

She will be truly missed by all. Inspiration of love; Mary Therese, mother to all. Peter 3:9. The LORD is not slow in keeping his promise, as some understand slowness. Instead he is patient with you, so that not one may perish, but everyone to come to repentance.
